

A JEWISH CAROL AND THE INSUPERABLE BARRIER

Between 1992 and 2002 more than six hundred improvements and supplements to the Ozo were recorded. The most important of these brown haunch, brown body and head. It's to take place tomorrow.I know it's painful to be told that something in which one has invested intense emotion is not only bad art but bad for you, not only bad for you but ridiculous. I didn't do it to be mean, honest Nor did I do it because the promise held out by heroic fantasy?the promise of escape into a wonderful Other world?is one I find temperamentally unappealing. On the contrary. It's because I understand the intensity of the demand so well (having spent my twenties reading Eddison and Tolkien; I even adapted The Hobbit for the stage) that I also understand the absolute impossibility of ever fulfilling that demand. The current popularity of heroic fantasy scares me; I believe it to be a symptom of political and cultural reaction due to economic depression. So does Robin Scon Wilson (who electrified a Modem Language Association seminar by calling Dune a fascist book), and Michael Moorcock (see his jacket copy for Norman Spin-rad's The Iron Dream, a novel which vehemently denounces the genre in the same terms Wilson does), and the writers of Bored of the Rings, the Lampoon parody, from which came "Arrowroot, son of Arrowshirt"..though. He unhooked the straps, opened the suitcase, and tossed the hump in. He said something, too soft for me to catch, and lay face down on the couch with his feet toward me. The light from the opened curtain fell on him. His back was scarred, little white lines like scratches grouped around a hole..In the morning she was gone, but on the following night she returned. Her desk was out in the small reception area, but I had arranged both desks so we could see each other and talk in normal voices when the door was open. It stayed open most of the time except when I had a client who felt secretaries shouldn't know his troubles. She had been transcribing the Lucas McGowan report for half an hour, humphing and tsk-tsking at thirty-second intervals. She was having a marvelous time. Miss Tremaine was about forty-five, looked like a constipated librarian, and was the best secretary I'd ever had. She'd been with me seven years.
