Farther along were halls for games of some kind; large rainbow wheels revolved, silver pipes. Still no one paid attention to them, as if a charm of protection were on them. "Ah," said the Patterner.. All the people of the Archipelago and the Reaches share the Hardic language and culture with local variations. The Raft People of the far South West Reach retain the great annual celebrations, but little else of Archipelagan culture, having no commerce, no agriculture, and no knowledge of other peoples.. If written down, spells are written in the True Runes, sometimes with some admixture of the Hardic runes. To write in the True Runes, as to speak the Old Speech, is to guarantee the truth of what one says-if one is human. Human beings cannot lie in that language. His voice was deep and soft, like the notes of a viol. "Sleeping in the sunshine, like one whose work has been well done. So you've sent them digging for the Red Mother, have you?
