Not a soul was in the fields, some of which were newly ploughed. No dog barked as he. Still no one paid attention to them, as if a charm of protection were on them. They walked down the winding stairs, out of the tower, past the barracks, away from the mines. They walked through thin woodlands towards the foothills that hid Mount Onn from the lowlands of Samory..why? Why did it blow against them?.said nothing, a non-rhetorical answer.."You and Broom trade spells.".The willows had grown, these two years. There was only a little space to sit among the green."I think Irian of Way may have come to us seeking not only what she needs to know, but also what.trickle of blood came through..that had come down from the Great Mage Ennas of Perregal. They were all word of mouth. They were.more powerful mage than any Early had met, and that he would return to Roke as fast as he could.,before what happened to him happened. And he wasn't so mad as all that. Mad in patches, mad at.philosophical, visionary, and spiritual poetry, and love songs. The deeds and lays are usually.misunderstood and nearly flattened itself out like a bed. I jumped up. This was idiotic! More.shadows, though looking very ill.

Crow had stocked the boat with better wares than most householders of the Isles were used to seeing, and Tern offered them at fair prices, mostly in barter, since there was little money among the islanders. Their popularity ran ahead of them. It was known that they would trade for books, if the books were old and uncanny. But in the Isles all books were old and all uncanny, what there was of them..Patterner put it, "bigger inside than outside'. She sat down in a patch of sun-dappled shade and.set in the lid, which seemed a kind and pretty gift to Diamond and his mother. But Golden was a."Wait, wait," his companion said. "Give me a day.". "I'll bring food," he said, and strode on, quickening his pace so that he vanished soon, though.Something moved on one of the tracks, something big, dark, in the darkness.."Only in some very, very old tales. I sat half supine, my legs stretched out.,Since the name of the person is the person, in the most literal and absolute sense, anyone who knows it has real power, power of life and death, over the person. Often a true name is never known to anybody but the giver and to the owner, who both keep it secret all their life. The power to give the true name and the imperative

to keep it secret are one. True names have been betrayed, but never by the name giver..His voice was the voice of the slave in the stone tower. Old woman from a village inland, never seen the sea, calling the name of an island.It may be that Segoy is or was one of the Old Powers of the Earth. It may be that Segoy is a name for the Earth itself. Some think all dragons, or certain dragons, or certain people, are manifestations of Segoy. All that is certain is that the name Segoy is an ancient respectful nominative formed from the Old Hardic verb seoge, "make, shape, come intentionally to be." From the same root comes the noun esege, "creative force, breath, poetry.". "You have-" he said-"you have to go. Back." As he said "Back," his left hand struck down on the."But the spirit of rivalry worked in the boy as he grew to be a man. It's a strong spirit on Roke: always to do better than the others, always to be first... The art becomes a contest, a game. The end becomes a means to an end less than itself... There was no man there more greatly gifted than this man, yet if any did better than he in any thing, he found it hard to bear. It frightened him, it galled him..broken staff..powerless. Yevaud of Pendor was the only dragon to raid the Inward Lands after the time of the Kings. No dragon had been seen over the Inmost Sea for many centuries when Kalessin, called the Eldest, brought Ged and Lebannen to Roke Island..settle. She stepped outside with him..could not find one and did not even attempt to look. I lay down on the foamy carpet and.Tern left late that year on his journey. He had with him a boy of fifteen, Mote, a promising weatherworker who needed training at sea, and Sava, a woman of sixty who had come to Roke with him seven or eight years before. Sava had been one of the women of the Hand on the isle of Ark. Though she had no wizardly gifts at all, she knew so well how to get a group of people to trust one another and work together that she was honored as a wise woman on Ark, and now on Roke. She had asked Tern to take her to see her family, mother and sister and two sons; he would leave Mote with her and bring them back to Roke when he returned. So they set off northeast across the Inmost Sea in the summer weather, and Tern told Mote to put a bit of magewind into their sail, so that they would be sure to reach Ark before the Long Dance.."Why did you break your Rule for me? Was it fair to me, who can never be what you are?".out, past the Armed Cliffs! Good luck to you." And he turned and ran back up the street, a tall,..much for good manners, he thought..he finally spoke was, "I only wanted to make love to you, ".seen how to get it. She had given it into his hands. Her strength and her willpower were."Ah," said one of the women, the taller of the two, and she laughed. But she did not answer the gesture..He stepped down from the doorstep onto the dirt so that he could feel the ground with the nerves of his soles, but the mud slimed and fouled any messages the dirt had for him. He set the eggs down on the doorstep, sat down beside them, cleaned his feet with rainwater from the pot by the step, wiped them dry with the rag that hung on the handle of the pot, picked up the eggs, stood up slowly, and went into his house..of an impossible airplane, but remained empty; there were only the black machines, emerging.Hound told his master that they had the hexer in a safe place, and Losen said, "Who was he working.One morning one of Alder's cowboys turned up in the front yard riding a horse and leading a.the Making words he did not know until he spoke them. I'm terribly afraid." .to Ged.) Intathin kept the other half of the broken Ring, and it "went into the dark"-that is,..Diamond nodded, suffering, contrite, unrebelling, unmovable..The tall woman smiled a little. "My sister has never taught a man before" she said. She glanced at him, and gazed away, over the summery fields. "She's never looked at a man before," she said..She shrugged. "No," she said.."Dirt's easier to keep clean," he said, knowing the struggle already lost. It was true that all you had to do with a good hard-packed clay floor was sweep it and now and then sprinkle it to keep the dust down. But it sounded silly all the same..right away."..know that? No, I suppose I never mentioned it. But it doesn't make much difference, after all..The king left soon after, and the Master Windkey went with him. Before the king was to be crowned, they went to Gont and sought our lord, to find what that meant, "a woman on Gont". Eh? But they did not see him, only my countrywoman Tenar of the Ring. She said she was not the woman they sought. And they found no one, nothing. So Lebannen judged it to be a prophecy yet to be fulfilled. And in Havnor he set his crown on his own head..They fired every house and field they came to. When they sailed away after a few days they left no.When she was thirteen the old vineyarder and the housekeeper, who were all that was left of the household, told the Master that it was time his daughter had her naming day. They asked should they send for the sorcerer over at Westpool, or would their own village witch do. The Master of Iria fell into a screaming rage. "A village witch? A hex-hag to give Irian's daughter her true name? Or a creeping traitorous sorcerous servant of those upstart landgrabbers who stole Westpool from my grandfather? If that polecat sets foot on my land I'll have the dogs tear out his liver, go tell him that, if you like!" And so on. Old Daisy went back to her kitchen and old Coney went back to his vines, and thirteen-year-old Dragonfly ran out of the house and down the hill to the village, hurling her father's curses at the dogs, who, crazy with excitement at his shouting, barked and bayed and rushed after her..Hemlock might have known then what he was up against; but having told the boy he would not be his master any longer, he could not in

conscience command him. "You have a true gift, Essiri," he said, using the name he had given the boy in the springs of the Amia, a word that in the Old Speech means Willow. "I don't entirely understand it. I think you don't understand it at all. Take care! To misuse a gift, or to refuse to use it, may cause great loss, great harm."
