Then they leaned the mirror against a tree and rested for a while. "It's well I wore these rags of yours," said Jack, "and not my own clothes, for the weeds would have caught in my cloak and the boots would have pulled me down and I would have never come up. Thank you, Amos."..Now back to the topic of heroic fantasy, which occasioned the foregoing..They started forward again toward the fires. It was so dark and the cave was so big that even with the light they could not see the ceiling or the far wall. The fires themselves burned in huge scooped out basins of stone. They had been put there for a warning, because just beyond them the floor of the cave dropped away and there was rolling darkness beyond them..A bitter look..keeping score and the old fart was being tested, an attitude that did not bode well. A reasonable assumption, since he had struck out his first time to bat, with a shameful 43. But when two weeks had gone by and there was still no word from the Board of Examiners, he wondered if maybe he'd managed to squeak through. He didn't see how he could have. The examiner, a wizened, white-haired fuddy-duddy whose name Barry instantly forgot, had been hostile and aggressive right from the word go, telling Barry that he thought his handshake was too sincere. He directed the conversation first to the possible dangers of excessive sunbathing, which was surely an oblique criticism of Barry's end-of-August tan and the leisure such a tan implied, then started in on the likelihood that dolphins were as intelligent as people. Barry, having entered the cubicle resolved to stake all his chips on a tactic of complete candor, had said, one, he was too young to worry about skin cancer and, two, he had no interest in animals except as meat This started the examiner off on the psychic experiences of some woman he'd read about in Reader's Digest. Barry couldn't get a toehold anywhere on the smooth facade of the man's compulsive natter. He got the feeling.. "Take whom you like," said the grey man, "so long as you bring back my mirror."
