"Seems to be a hard place to find," Hound said. Ayo and Mead were much alike, and Otter saw in them what Anieb might have been: a short, slight, quick woman, with a round face and clear eyes, and a mass of dark hair, not straight like most people's hair but curly, frizzy. Many people in the west of Havnor had hair like that. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (36 of 111) [2/5/2004 12:33:31 AM]. had taken to be a gardener, and the youngest-looking of them, a tall man with a stern, beautiful. She'd have thought being King in Havnor wasn't good enough for him. beyond comprehension and he was nothing at all. He woke from those dreams shaken and shamed. In. Her brother came in. "Come on out," he said to her as soon as he saw the curer dozing on the settle. She stepped outside with him. "What is a moot?" A long shudder went through her as she stood facing him. She felt herself larger than he was, larger than she was, enormously larger. She could reach out one finger and destroy him. He stood there in his small, brave, brief humanity, his mortality, defenseless. She drew a long, long breath. She stepped back from him. "I'm going now," I announced. She did not speak. By that time there were many people of the Hand who knew what was afoot on Roke. Young people came there sent by them. Men and women came to be taught and to teach. Many of these had a hard time getting there, for the spells that hid the island were stronger than ever, making it seem only a cloud, or a reef among the breakers; and the Roke wind blew, which kept any ship from Thwil Bay unless there was a sorcerer aboard who knew how to turn that wind. Still they came, and as the years went on a larger house was needed for the school than any in Thwil Town. wizards and the perversion of their power, magic itself came into disrepute. erratic force, not to be relied on. Morred was the first man, and the first king, to be called. "Don't be afraid," Gelluk said, his voice strong and musical over the panting gasp of the huge bellows and the steady roar of the fire. "Come, come see how he flies in the air, making himself pure, making his subjects pure!" He drew Otter to the edge of the roasting pit. His eyes shone in the flare and dazzle of the flames. "Evil spirits that work for the King become clean," he said, his lips close to Otter's ear. "As they slaver, the dross and stains flow out of them. Illness and impurities fester and run free from their sores. And then when they're burned clean at last they can fly up, fly up into the Courts of the King. None of these languages serves for the making of spells of magic..There are some who say that the school had its beginnings far differently. They say that Roke used to be ruled by a woman called the Dark Woman, who was in league with the Old Powers of the earth. They say she lived in a cave under Roke Knoll, never coming into the daylight, but weaving vast spells over land and sea that compelled men to her evil will, until the first Archmage came to Roke, unsealed and entered the cave, defeated the Dark Woman, and took her place..through greed, the other through foolishness. Do you design dresses?" .not bend..When it came to teaching what he knew, he was tireless, generous, and exacting. For the first time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as an art and a craft, which could be known truly with long study and used rightly after long practice, though even then it would never lose its strangeness. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge. And that made him a mage.."Got you," the old man said, looking down at the muddy, lax body.
