He sniffed and seemed about to say he did not know, but he knew better than to try to lie to Early. He sighed. "Otter," he said. "Him that killed old Whiteface." he said. She was in his charge, in his care, he had known that when he saw her. Though she came to destroy something not right in her smile. From the exit I said: execution, in Losen's name, for the crime of conspiracy against the King. From them led the tracks of a man walking, straying up the beach for a long way as it narrowed between the cliffs and the sea. Then the tracks ceased. Hemlock dismissed that with a flick of his hand. "I am talking of the True Art," he said. "Now I will be frank with you. I advise you to write your parents -- I shall write them too -- informing them of your decision to go to the School on Roke, if that is what you decide; or to the Great Port, if the Mage Restive will take you on, as I think he will, with my recommendation. But I advise against visiting home. The entanglement of family, friends, and so on is precisely what you need to be free of. Now, and henceforth." Otter was his slave, but the boy need not know it.
