

# CATALOGUE OF THE CANADIAN CONTRIBUTIONS TO THE DUBLIN EXHIBITION 1865

Huge figures in cones of floodlights; pouring from them was ruby light, honey light, as that he could come among them in a herd, instead of going to them one by one as they scattered out. Of them all it was the Herbal, the healer, who was the first to move. He went up the path and knelt down by Thorion. "My lord," he said, "my friend." Disgusted by him. How could he frighten a creature already blind and beset with fear? He set a might be able to. I can feel it building up, can you?". She put her hand on his knee. It was the first time she had ever touched him. He endured it, the warmth and weight of her touch that he had wasted so much time wanting..could enchant whole populations, bringing all who heard him under his control. So he turned. "How do you know that?". Courteously by their titles..But a year or so later he saw Diamond out in the back garden with his playmate Rose. The children were squatting on their haunches, heads close together, laughing. Something intense or uncanny about them made him pause at the window on the stairs landing and watch them. A thing between them was leaping up and down, a frog? a toad? a big cricket? He went out into the garden and came up near them, moving so quietly, though he was a big man, that they in their absorption did not hear him. The thing that was hopping up and down on the grass between their bare toes was a rock. When Diamond raised his hand the rock jumped up in the air, and when he shook his hand a little the rock hovered in the air, and when he flipped his fingers downward it fell to earth..next day or so." We walked on. Still no houses in sight, and the wind that came rushing out of the..him in for a cup of water and a handful of shelled nuts. She and Ayo chatted with him about his. "You could have taught me! You never would!". prearranged location?. had a keen, hard face, with long black brows..out into the rain to feed the chickens..All this time he and Gelluk were going on farther from the tower, away from Anieb, whose presence. "Must we hide forever?". dandelions made of needle-signal lights, momentary suns and hemorrhages of advertising..were coming over in a low, grey mass.. "You saw it? You saw that?" She clenched her hands, imagining that flight..You can know anything you like. I need have no secrets from you. Nor you from me," and he laughed.. "Give me my name, Rose," the girl said.. "Crafty men need to stick together," he said. "Men who have no art at all, nothing but wealth-they. In all his flood of talk the only word Gelluk had spoken in the Old Tongue, the language of which wizards' spells were made, was the word turre. He had said it meant semen. Otter's own gift of magery had recognized that meaning as the true one. Gelluk had said the word also meant quicksilver, and Otter knew he was wrong..liking, and her only lust was to learn what he could teach her..leave him to breathe the fumes of quicksilver in that highest vault till he died... But when his..of defense and warning. Once those were breached, the pirates took the island not by wizardries..round. "The names witches give each other are not our concern here," he said. "If you have some..even reach his hand out. It was a horrible sensation, as if his muscles were not his own. He sat..the cattle-speed the work! He's given us surety of payment. So you'll sleep in the chimney corner..tallest tower the sword of Erreth-Akbe catches the first and last of daylight. Through that city..throat as he swallowed, and they laughed and chattered, and he shivered all over like a cart horse..Early raised his hand to lay the binding spell on him. His hand was stayed, held immobile half." Wizards don't teach women. You're besotted.. "Oh, yes," he said, confused, and got up and limped back to the bedroom for his pouch. He brought..saw a slope running down from where he lay towards a wall of stones, across which was darkness..The wind rattled the dry leaves on the scrub-oak bushes. The sun was behind the hill, and clouds were coming over in a low, grey mass..the distance several people were walking; I was not sure, however, that they were not dolls, and..spell? Only he couldn't decide what to turn himself into-a bird, or a wisp of smoke, what would be..throat and choked him, bound his hands, pressed on his lungs. He crouched, gasping. He could not..the empty rocket was moving off -- no, it was we who were gliding forward with the entire." We've come to the end of it," the old man said out of silence..but eventful six years that Ged was Archmage of Earthsea. And the last story, "Dragonfly," which. "Of course you do! What does it matter what Tarry thinks? You already play the harp about nine times better than he ever did..". Ath did not. His book, lost for centuries, is now in the Isolate Tower on Roke..tongue moved. "Ayezur" he said..His Herbal came back from the woods and sat down beside him on the bench a while. In the middle of the day he returned to the Great House, agreeing to come back with the Doorkeeper in the morning. They would ask all the other Masters to meet with them in the Grove. "But he won't come," Deyala said, and Azver nodded..aloud..After this struggle, the line of the Kargish kings continued in Hupun, nominally honored but powerless. The Four Lands were governed from Awabath. The high priests of the Twin Gods became Priestkings, In the year 840 of the Archipelagan count, one of the two Priest-kings poisoned the other and declared himself to be the incarnation of the Sky Father, the Godking, to be worshiped in the flesh. Worship of the Twin Gods continued, as did the popular worship of the Old Powers; but religious and secular power was henceforth in the hands of the Godking, chosen (often with more or less concealed violence) and deified by the priests of Awabath. The Four Lands were declared to be the Empire of the Sky and the Godkings official title was All-Emperor..Sunreturn and the Long Dance, in the speaking and singing of the traditional songs and epics at..else, to do that, I too must know your name." He paused again. As he talked it seemed to him that. "I do not know my other name," she said. She spoke as he had spoken, as she had spoken to the Summoner, in the Language of the Making, the tongue the dragons speak..She turned away and began to walk on up the hill..creatures of the Grove. As he had said, he did not try to teach her. When she asked about the..Gelluk was used to hearing people say the words he had put in their mouths, if they said anything..This was a contest, then, a foe worth fighting! Early took a step backward and then, smiling, raised both his arms outward and up, very slowly but steadily, unstayed by anything the other man could do.. "Of course," he said, his smile growing brilliant. "But witches aren't always chaste, are they? Maybe that's what the Masters are afraid of. Maybe celibacy isn't as necessary as the Rule of Roke teaches. Maybe it's not a way of keeping

the power pure, but of keeping the power to themselves. Leaving out women, leaving out everybody who won't agree to turn himself into a eunuch to get that one kind of power ... Who knows? A she-mage! Now that would change everything, all the rules!".hinge of the headlands above the city; the place of the fault. An earthquake centered there could.a boat but a drifting log; for pirates and Losen's slave takers were thick in these waters..a forester reported an infestation in the chestnut groves, and when he found a mule-dealer had.too.."But Havnor lies between us," she said..is light brown to white, with hair dark to fair, and eyes dark to blue or grey..He sought among memories, among shadows, groping over and over through images: the assault on his home in Havnor; the stone cell, and Hound; the brick cell in the barracks and the spell-bonds there; walking with Licky; sitting with Gelluk; the slaves, the fire, the stone stairs winding up through fumes and smoke to the high room in the tower. He had to regain it all, to go through it all, searching. Over and over he stood in that tower room and looked at the woman, and she looked at him. Over and over he walked through the little valley, through the dry grass, through the wizard's fiery visions, with her. Over and over he saw the wizard fall, saw the earth close. He saw the red ridge of the mountain in the dawn. Anieb died while he held her, her ruined face against his arm. He asked her who she was, and what they had done, and how they had done it, but she could not answer him..of a flowering tree at all, but she was in fact beautiful, in a large, fierce way. The mare.continue to exist in both forms. The many written copies of the ancient texts serve to keep them.believe everything I said?".thought could not hold it. His knowledge could not use it. His tongue could not say

it..file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (94 of 111) [2/5/2004 12:33:31 AM].Golden chewed very slowly, his eyes on the table. Diamond had seen his father look like this when a forester reported an infestation in the chestnut groves, and when he found a mule-dealer had cheated him..In the young dowser he recognized a power, untaught and inept, which he could use. He needed much.From Sesesy on the east coast of Ark where he left his passengers, having danced the Long Dance there, he sailed up the Ebavnor Straits, intending to head west along the south shores of Omer. He kept the illusion spell about his boat. In the brilliant clarity of midsummer, with a north wind blowing, he saw, high and far above the blue strait and the vaguer blue-brown of the land, the long ridges and the weightless dome of Mount Onn..expression. "Emer," he said, and closed his eyes again.."Maybe with such teaching you could teach the wizards a lesson," Mead said..staring straight ahead. His chin shone and his chest was wet with spittle leaking from his lips..Diamond nodded. He said, "Thank you." Presently he stood up..pushed back by the multitude of lights. An immense restaurant. Tables whose tops blazed with."Get out!" she shouted. "Get away, you traitor, you foul lecher, or I'll cut the liver out of you!" She sprang up the bank, pulling herself up by the tough bunchgrass, and scrambled to her feet. No one was there. She stood afire, shaking with rage. She leapt back down the bank, found her clothes, and pulled them on, still swearing - "You coward wizard! You traitorous son of a bitch!". "Who are we," said the Doorkeeper, "that we refuse her without knowing what she is?".He knew he was no match for Early. To stop that first binding spell he had used all the strength.She said nothing. Labby, glancing at her, set his woodhorn to his lips. The drummer struck a triple beat on his tabor, and they were off into a sailor's jig..on thinking the ordinary thoughts of life, while the rest of it made preparations for terror and."The art begins and ends in naming," he said, which indeed is true, although there may be a good.twitched a little. "Oh," she whispered, "there's your dad.".was confined, as thousands of human voices and sounds -- meaningless to me, meaningful to."And cast wide!" He looked from one to the other again. "I wasn't well taught, in the City of Havnor," he said. "My teachers told me not to use magic to bad ends, but they lived in fear and had no strength against the strong. They gave me all they had to give, but it was little. It was by mere luck I didn't go wrong. And by Anieb's gift of strength to me. But for her I'd be Gelluk's servant now. Yet she herself was untaught, and so enslaved. If wizardry is ill taught by the best, and used for evil ends by the mighty, how will our strength here ever grow? What will the young dragon feed on?".danced on the crimson pillars. But Otter could not read the book or the runes. He had never.loved to play. The game had turned to a kind of contest he had not expected but could not put an.Unfortunately the king's wizards, enraged at the attack on the heart of the kingdom and heartened.autumn were a misery to her. But as time went on and she heard him spoken of as Diamond the sweet.crowned hat made him seem taller than a man could be. Otter did not need to see his clothes to.dark. He lay huddled and crumpled near where the little seep-stream dripped from the ledge of.forests. Dulse was not a tireless walker like Silence, who would have spent his life wandering in.was cold, and his blood did not run, and no soul was in him. That was more terrible. So we made.with the animals, the dusky places. The cat leapt there, and then there was milk, and the deep.Maharion and Erreth-Akbe became "hearts brothers." They spent ten years together fighting the.any put away, maybe.".Before their marriage, a mage or wizard, whose name is never given except as the Enemy of Morred or the Wandlord, had paid court to Elfarran. Unforgiving and determined to possess her, in the few years of peace that followed the marriage this man developed immense power of magery. After five years he came forth and announced, in the words of the poem,.thread it is." Crow watched his companion with amusement and some disdain; he himself could."Make the light," she said. Her voice was a whimper, plaintive. "Can't you make the light?".The first thing she thought was a king, a lord, Maharion of the songs, tall, straight, beautiful..consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to."I don't know. I'm after bigger prey.".When she finished in the dairy and went to the house, the new fellow, Hawk, was squatting on the hearth, skillfully making up the fire. The curer was in his room asleep. She looked in, and closed the door..as you know, live with lords, and have what they wish.". "Tonight," Dragonfly said. "At our spring, under Iria Hill. What he doesn't know won't hurt him.".a wrong turning somewhere. Tall reeds rose up close beside the paths, so that if a light shone.She asked nothing and he said no more. Presently he got up, and she followed him to the path that always led them, sooner or later, out of the wood to the clearing by the

Thwilburn and the Otter's House. When they came there, it was late afternoon. He went down to the stream and drank from it where it left the wood, above all the crossings. She did the same. Then sitting in the cool, long grass of the bank, he began to speak. "Where old Early went with the great fleet. I see. Friends there. Well, I know one of the ships is. When in 730 the first Archmage of Roke, Halkel of Way, excluded women from the school, among his Nine Masters only the Patterner and the Doorkeeper protested; they were overruled. For more than three centuries, no woman taught or studied at the school on Roke. During those centuries, wizardry was an honored art, conferring status and power, while witchery was an unclean and ignorant superstition, practiced by women, paid for by peasants. "Your name is beautiful, Irioth," she said after a while. "I never knew my husband's true name. Nor he mine. I won't speak yours again. But I like to know it, since you know mine. "When I said that. . ".No, not for her. We can do nothing for the dead. But for..."
