We were blinded by our loyalty to the test-pilot philosophy of space flight. We wanted as few scientists as possible and as many astronauts as we could manage. We don't like to think of ourselves as ferry-boat pilots. I think we demonstrated during Apollo that we could handle science jobs as well as anyone. "We're still your friends, Mr. Riordan, but business is business.."Does she believe that?" Mama's gaze was grave. "You must tell her to go."..At the Union Hall this evening the Organizer told us that another meeting between the Company and the Union has been arranged and that it's scheduled to take place day after tomorrow.
