But when he began to elaborate upon this insight and draw some interesting parallels between his experience and hers, Columbine became impatient. She did not come right out and tell him that he was in breach of contract, but that was definitely the message conveyed by her glazed inattention. Responsive to her needs, he resisted the impulse to make any further contributions of his own and sat back and did his level best to be a good listener and nothing more..would be on my ass over the com circuit."You noticed," she says softly. "Ah," said Jack, "the second question is easy to answer, but the first is not so simple. I am a prisoner here because a skinny grey man stole a map from me and put me in the brig so I could not get it back from him. But why am I the Prince of the Far Rainbow? That is exactly the question asked me a year ago today by a wizard so great and so old and so terrible that you and I need never worry about him. I answered him, 'I am Prince because my father is King, and everyone knows I should be.' Then the wizard asked me, 'Why should you be Prince and not one of a dozen others? Are you fit to rule, can you judge fairly, can you resist temptation?' I had no idea what he meant, and again I answered, 'I am Prince because my father is King.' The wizard

took a mirror and held it before me. 'What do you see?' he asked. 'I see myself, just as I should, the Prince of the Far Rainbow,' said I. Then the wizard grew furious and struck the mirror into three pieces and cried, 'Not until you look into this mirror whole again will you be Prince of the Far Rainbow, for a woman worthy of a prince is trapped behind the glass, and not till she is free can you rule in your own land.' There was an explosion, and when I woke up, I was without my crown, lying dressed as you see me now in a green meadow. In my pocket was a map that told me where all the pieces were hidden. Only it did not show me how to get back to the Far Rainbow. And still I do not know how to get home." talkers, which was a further attraction of their store, since one's exchanges with them were limited to such and kept his eyes firmly open..Nina?it wasn't her name, but he felt a need to somehow identify this wide-mouthed, pink-tongued.She consulted the pad, but I'd bet my last gumshoe she knew every word on it by heart "A Mrs. Carmichael called. Who ever heard of a colony without babies? If we don't grow, we stagnate, right? We have to have children." She looked back and forth from Lang to Crawford, her face expressing formless doubts..Home? It wasn't a bitter laugh; he sounded genuinely amused. Crawford plowed on..At this time tomorrow Columbine made another nonappearance, and Barry began to suspect she was deliberately avoiding him. He decided to give her one last chance. He left a message with the doorman saying he would be by to collect his you-know-what at half past twelve the next night Alternately, she could leave it in an envelope with the doorman..Song Sue Lee was on her knees, examining one of the hundreds of short, stiff spikes extruding from the ground. He dips below to look at the hold, filled with casks..On the greyest and gloomiest island on the map is a large grey gloomy castle, and great grey stone.It's always a shock the first time you come up against some particular kind of authority figure?a dentist, a psychiatrist, a cop?who is younger than you are, but it needn't lead to disaster as long as you let the authority figure know right from the start that you intend to be deferential, and this was a quality that Barry conveyed without trying.."I have just been given the ultimate garbage presentation," he said. The inner door opened and Lang pushed forward?and right back into the airlock..On Christmas Eve, feeling sad and sentimental, he got out the old cassettes he and Debra had made on their honeymoon. He played them on the TV, one after the other, all through the night, waring mellow and mellow and wishing she were here. Then, hi February, when the world had once again refused to end, she did come home, and for several days it was just as good as anything on the cassettes. They even, for a wonder, talked to each other. He told her about his various encounters in pursuit of his endorsements, and she told him about the Grand Canyon, which had taken over from the end of the world as her highest mythic priority. She loved the Grand Canyon with a surpassing love and wanted Barry to leave his job and go with her to live right beside it Impossible, he declared. He'd worked eight years at Citibank and accrued important benefits. He accused her of concealing something. Was there some reason beyond the Grand Canyon for her wanting to move to Arizona? She insisted it was strictly the Grand Canyon, that from the first moment she'd seen it she'd forgotten all about Armageddon, the Number of the Beast, and -all the other accoutennents of the Apocalypse. She couldn't explain: he would have to see it himself. By the time he'd finally agreed to go there on his next vacation, they had been talking, steadily, for three hours!"We can't say how long they've been prepared for a visit from us. Maybe only this cycle; maybe.think."..Have you ever been to the Miss America Pageant on 42nd St.?" she asked him, drying her eyes..place this is! I can see we're going to be busy." He walked along the edge of the dense growth, which.I don't know what we'll have to do, specifically, but I know we'll find the answers."
