beckoned them over to her. They linked arms and stood staring up at the sky..Another section opened up and they stepped through it After three more gates were passed, the temperature and pressure were nearly Earth-normal. And they were standing beside a small oriental woman with skin tanned almost black. She had no clothes on, but seemed adequately dressed in a brilliant smile that dimpled her month and eyes. Her hair was streaked with gray. She would be? Singh stopped to consider?forty-one years old.."A temp."I sighed. "So have I." I turned and looked at what he was working on at die drafting table. It was a small painting of a boy and girl, she in a soft white dress, and he in jeans and tee shirt. They looked about fifteen. They were embracing, about to kiss. It was quite obviously the first time for both of them. It was good. I told him so..cut just a little, but he never was able to race again."it was true, what he'd said. All the pigeons were the same size..I picked up Janice at her apartment in Westwood early Saturday morning. Then I'm sorry to hear that.255."Well," said Amos, "if you help get us to the top of the mountain, we will let you look into the fragment of the mirror." Then he added, "which is more than your friend the wizard did, apparently." Jack gave Amos a little kick, for it is not a good thing to insult a wizard so great and so old and so terrible as all that, even if you don't have to worry about him..The practical problems of mammalian cloning are such that there is no chance of its happening for some time yet. Yet biologists are anxious to perform the feat and are trying hard. Eventually, they will no doubt succeed. What purpose will it serve?.In answer to all the requests for more positive, upbeat sf with some good old-fashioned Heros, we offer with some hesitation this tale of first contact between lowly Human and mighty Sreen.. "Third," said Lea, "what are they going to do to you?" I finally started looking at the street signs. I was on Mullholland. I kept going west for a long time, crossed the San Diego Freeway, into the Santa Monica Mountains. The pavement ends a couple of miles past the freeway, and there's ten or fifteen miles of dirt road before the pavement picks up again nearly to Topanga. The road isn't traveled much, there are no houses on it, and people don't like to get their cars dusty. I was about in the middle of the unpaved section when Detweiler seemed to calm down. I pulled over to the side of the road and cut the engine. The San Fer-."Two, we have enough water to last us forever if the recyclers keep going.
