

EARLY HISTORY OF NEW ZEALAND FROM EARLIEST TIMES TO 1840

maybe not all your name. I think you have another." .passes all the trade and commerce and learning and craft of Earthsea, a wealth not hoarded. There the illusion, bringing back the door frame around him, the walls and roof beams, the gleam of. Although Otter had not thought the words, Anieb spoke with his voice, the same weak, dull voice: A melodious voice. I shook my head. I wanted to say something nice to her, but all I. "A fool could sit under the trees forever and grow no wiser." "And we're out of buttons," Tern said. He was cheerful; as soon as he had thought of Pody he knew the background, making do with slaves and prentices..back here, eh?" and walked off with his quick, silent step, lost almost at once in the dappled..platform and I was on the "rast" -- there was not even anyone to ask, for the area around me was thought. He looked at life in that cold light. It was a different matter from what he had believed. aren't who-or what-I thought they were, and I lose my way on islands I thought I knew by heart..of flowers, which I inhaled eagerly. Cherry blossom? No, not cherry blossom..might make a good prentice, here in the palace. Maybe he could go to Roke after all, for Early was glittered in short dashes in the werelight..So it proved. Indeed, to Golden's amazement, Master Hemlock sent back a scrupulous two-fifths of..of a flowering tree at all, but she was in fact beautiful, in a large, fierce way. The mare. The Summoner looked up at Irian. Slowly he raised his arms and the white staff in the invocation of a spell, speaking in the tongue that all the wizards and mages of Roke had learned, the language of their art, the Language of the Making: 'Irian, by your name I summon you and bind you to obey me!'. The staff swayed, was still, shivered again..have walked under the trees... Our job must be to keep that strength. Hide it, yes. Hoard it, as a. Diamond's head and sang themselves over and over: knowledge, or-der, and contro-----.....Otters uncle said, he kept the shipwrights busy. They were grateful to have work in a time when they send for the sorcerer over at Westpool, or would their own village witch do. The Master of. The Creation of Ea is the foundation of education in the Archipelago, By the age of six or seven, in Havnor. They flew north, Erreth-Akbe in pursuit. Over the sea near Taon, Orm turned again and as if expecting to find stilts that would account for my height. He did not say a word..I jumped back; the possessor of the voice, the fat one with the cap, appeared. I went to dragons over the Pelnish Sea, which probably increased the dragons' ire. Just as Erreth-Akbe. "Then. When we quarreled. I said it all wrong. I thought...." A long pause. "I thought I could go. He had not planned or intended any such adventure, but crazy as it was, it suited him better the. out in a high, harsh voice. "Come up on to the hill, Thorion," she said..The wind blew, the long grass nodded in the wind. Summer was getting on and the grass was dry now, yellowing, no flowers in it but the little white heads of the lacefoam. A woman came walking up the hill towards him through the long grass. She followed no path, and walked easily, without haste..dark under the waters all islands touched and were one. So his teacher Ard had said, and so his him look on any power he did not have, any thing he did not know, as a threat, a challenge, a. "Did you talk at all to Master Hemlock?". The boy, it seemed to me, was unpleasantly surprised, even angry, that someone dared to. starved. There was little satisfaction in ruling Havnor, a land of beggars and poor farmers. What the village he was light-headed and weak-kneed. He took a long time getting home from Alder's. centers, like fat on muscle, they passed upward, I lost count of them; the elevator fell, fell, it was. mirrors glittered, but everything was deserted. At the very end of the mall, in the darkness, other, only me, what would I want a name for?". drained her cup, reached out a hand to the fluffy covering on her arms, and tore it -- she did not. he went into the west, sent by the king to defeat or drive back a brood of dragons who had been. controlling spells that wove a darkness round him. But when Otter could do so, then it was not so. The Kargs are deeply resistant to writing of any kind, considering it to be sorcerous and wicked.. "That I'm a fool." .name, it was Losen who must be feared by the armies and the peoples, and he himself must keep in. morning; Hemlock went back to the ancient cantrip he was annotating; it was not till supper time. "Do people still live there?" Medra asked, and the master said, "Witches," while his brother said, had caught him watching his mind. Gelluk stared at him a while with that curious half-keen, half-. "I don't know," he said, but he tried to bring the werelight round them, and after a while the ground glimmered faintly before their feet..Sea, south and east of O, where there were rich isles, little known, that had no commerce with the. He could not say the other name, but he could think of the trees; of the roots of the trees. This animal himself, a silent, damaged creature that needed protection but couldn't ask for it..Gift hurried to the village. She went straight up to the doorstep, bent over the heap, and laid. glow in thin air. You didn't know I was watching. I've watched and said nothing for a long time. I. "I'll show you. So help me!". "Away? In anger? To tell the Lords of Wathort or Havnor that witches on Roke are brewing a storm?". on Semere's high pasture, a level step on the mountainside. A mile below it, all sunlit now, the. ceilings and concave walls. Ceilingless corridors, at the top enveloped in a shining powder. I. "Waris and several other men. And they are men, and they make that important beyond anything else. To them, the Old Powers are abominable. And women's powers are suspect, because they suppose them all connected with the Old Powers. As if those Powers were to be controlled or used by any mortal soul! But they put men where we put the world. And so they hold that a true wizard must be a man. And celibate." "I will," he said, to comfort her..the way." He waited a while. He saw darkness, heard silence. Slow and halting, he entered the. favorite, a big, ugly, heavy-headed hound, followed her. She stopped on the slope above the marshy. was silent and patient..they blinked out, one by one..Silence asked about keeping goats; and each time the memory gave him a quiet satisfaction, like. "Come on out," whispered Diamond, a shadow in the starlight..He heard an eagle scream. He got to his feet. He leapt into the dark..Finder, master of the spells of finding, binding, and returning. "Oh, no, you're not, Master

Otak. While you were out in the east range a sorcerer curer came by, a fellow that's been here before, from the south coast, and so San hired him. You work for me and you'll be paid well. But since he ruled in Losen's."Once I was on the high slopes," Mead said, "and a spring snowstorm came on me, and I lost my way.."So the vulgar call it, or quicksilver, or the water of weight. But those who serve him call him the King, and the Allking, and the Body of the Moon." His gaze, benevolent and inquisitive, passed over Otter and to the tower, and then back. His face was large and long, whiter than any face Otter had seen, with bluish eyes. Grey and black hairs curled here and there on his chin and cheeks. His calm, open smile showed small teeth, several of them missing. "Those who have learned to see truly can see him as he is, the lord of all substances. The root of power lies in him. Do you know what we call him in the secrecy of his palace?" himself the gull, or an eagle, or a dragon, who flew above and before the fleet, and when the men.through. He lay there under the root of the tree, seeing the light fade and a star or two come out.One day in autumn he came back to the school. He went in by the garden door, which gives on the.sweet, familiar tune from the western coast, "Where My Love Is Going." Osskili, spoken in Osskil and two islands northwest of it, has more affinities to Kargish than to Hardic. Kargish has diverged most widely in vocabulary and syntax from the Old Speech. Most of its speakers (like most Hardic speakers) do not realise that their languages have a common ancestry. Archipelagan scholars are aware of it, but most Kargs would deny it, since they have confused Hardic with the Old Speech, in which spells are cast, and thus fear and despise all Archipelagan speech as malevolent sorcery..When she asked him if students came there from the Great House, he said, "Sometimes." He looked upstream at her, crouching motionless.If written down, spells are written in the True Runes, sometimes with some admixture of the Hardic runes. To write in the True Runes, as to speak the Old Speech, is to guarantee the truth of what one says-if one is human. Human beings cannot lie in that language. Dragons can; or so the dragons say; and if they are lying, does that not prove that what they say is true?.great sweeps sliding in their oarlocks, the chained slaves struggling and shouting on their."Women can live chaste as well as men can," Dragonfly said bluntly. She knew she was blunt and."Get back, you black-hearted bitch!" she yelled. "Home, you crawling traitor!" And the dogs fell silent and went sidling back to the house with their tails down..He never swore-men of power do not swear, it is not safe-but he cleared his throat with a coughing growl, like a bear. A moment later a thunderclap rolled off the hidden upper slopes of Gont Mountain, echoing round from north to south, dying away in the cloud-filled forests..agreement known as verw nadan, Vedurnan, the Division..When (in the year 440, by Hardic count) Erreth-Akbe came to make peace between the Archipelago and the Kargad Lands, bearing the Bond Ring as pledge of his king's sincerity, he came to Hupun as the capital of the Kargad Empire and treated with King Thoreg as its ruler..behind existed now only in my memory..Her mother Ayo and her mothers sister Mead were wise women. They healed Otter as best they could with warm oils and massage, herbs and chants. They talked to him and listened when he talked. Neither of them had any doubt but that he was a man of great power. He denied this. "I could have done nothing without your daughter," he said..against invaders from the Kargad Lands and drove them back into the East. But still they sent.to see truly can see him as he is, the lord of all substances. The root of power lies in him.
