She went to the shelter with whoever asked her, trying not to play favorites, and gently tried to prod them back to work. As she told McKillian toward the first of the week, "At least we're getting to know one another.".afternoon everybody had heard it..So the prince ran down the rocks to the shore and snuck onto the ship, and Amos waited for the sun to come up. When it did, be started back..A highly depressing idea, but he did not on that account roll out the console to select a remedy from the menu. He knew from long experience that whatever could make him palpably happier was also liable to send him into a state of fugue in which conversation in the linear sense became next to impossible. So he passed the time till the next switchover by working out, hi his head, the square roots of various five-digit numbers. Then, when he had a solution, he'd check it on his calculator. He'd got five right answers when his chair reared up, god bless it, and bore him off toward . . . Would it be the couple chained, wrist to wrist, on the blue settee? No, at the last moment, his chair veered left and settled down in front of an unoccupied bent-wood rocker. A sign in the seat of the rocker said: "I feel a little sick. Which presents problems legally, if nodiing else. He's the captain of a ship and should not leave it. That's what kept him on the Edgar in the first place. But he did have a lot of training on the lander simulator back when he was so sure he'd be picked for the ground team. You know Winey, always the instinct to be the one-man show. So if he thought he could do it, he'd be down here in a minute to bail us out and grab the publicity. I understand they're trying to work out a heat-shield parachute system from one of the drop capsules that were supposed to ferry down supplies to us during the stay here. But it's very risky. You don't modify an aerodynamic design lightly, not one that's supposed to hit the atmosphere at ten thousand-plus kilometers. Miss.The game started out like a Marx Brothers routine. Lorraine and Johnny acted like two canaries playing Scrabble with the cat, but Detweiler was so normal and unconcerned they soon settled down. Conversation was tense and ragged at first until Lorraine got off on her "career" and kept us entertained and laughing. She had known a lot of famous people and was a fountain of anecdotes, most of them funny and libelous. Detweiler proved quickly to be the best player, but Johnny, to my surprise, was no slouch. Lorraine played dismally but she didn't seem to mind..But this evening as Amos came into the tavern, Billy was quiet, and so was everyone else. Even
