Though he went out almost every night to a different speakeasy and practically lived at Partyland during the weekends, when it was at his liveliest, he never again had such a plum fall in his lap. He didn't get within sniffing distance of his heart's desire. Most people he met were temps, and the few Permanent License holders inclined to be friendly to him invariably turned out, like the MacKinnons, to have already disposed of their allotted endorsements. Or so they said. As the weeks went by and anxiety mounted, he began to be of the cynical but widely held opinion that many people simply removed the stickers from their licenses so it would seem they'd been used. According to Jason MacKinnon, a completely selfless endorsement, like his from Ed, was a rare phenomenon. Quid pro quos were the gen-.While Caro typed in the blanks, I wondered at the difference between Amanda Gall's attitude toward..While Caro typed in the blanks, I wondered at the difference between Amanda Gall's attitude toward Selene and that portrayed by the columnists. They made it sound like kinky fun. Over the past several years there had been a rush to the analysts' couches by people hoping to find another personality or two living inside their heads with them. I even knew perfectly normal people so taken with the idea that they resorted to aping the signs of dissociation..The doe looked at the hunter for a moment more. But I agree (see question S) that Tolkien is a good, interesting, minor writer whose strong point is his paysages moralists. Ditto C S. Lewis, in bis Naraya books. As for other writers mentioned, only strong, selective blindness could miss the Vancian cynicism or the massive Dunsanian irony (sometimes spilling over into despair) which make their heroism far from simple or unquestioned-by-the-authors-them-selves. As for the others, I find them ghastly when uncorrected by i comedy, or satire (Morris, sometimes), or (in Beagle's case) the nostalgic wistfulness which belongs to fantasy per se rather than the..bearers bore him away..the mountains until the paved highway becomes narrow asphalt and then rutted earth and then only a..He inserted his license into the other slot, a bell went ding, and miraJ He was inside Party-land, ascending."Brothers?" He wrote six fine stories for F&SF in the 1960s. Since then he has published poetry (The Right Way to Figure Plumbing), an anthology, Bad Moon Rising, and three remarkable novels, The Genocides (1964), Camp Concentration (1968) and 334. All those old Baroques sound alike to.Here Comes Mr. Jordan was a whimsical film fantasy of the 1940s about a boxer taken to Heaven.Dramatization is another. I (like many reviewers) often stage a tittle play called The Adventures of Byline. Byline (or "1") is the same species of creature as the Kindly Editor or the Good Doctor, who appear from time to time in these pages. That is, she is a form of shorthand. When Byline rewrites story X, that doesn't mean that I?the real, historical personage?actually did or will or wish to rewrite story X, or that I expect its real, historical author to rewrite it to Byline's prescription, any more than my saying that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really happened. Pauline Kael's Movie Loon is another such fiction; these little creatures we send scurrying about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our form than by a desire for personal glory..immune to the inevitable despair of the castaway. More than that, if you count limited editions and pamphlets and such." She went over to the bed, rooted among the papers, and returned with a thin, odd-sized paperback. "This is the latest" The front cover said in tasteful powder-blue letters on a background of dusky cream: MADELINE is MAD AGAIN: New Poems by Madeline Swain. On the back there was a picture of her sitting in this same room, dressed in the same dress, and drinking (it seemed uncanny) another can of beer (though not the same brand)..The game started out like a Marx Brothers routine. Lorraine and Johnny acted like two canaries playing Scrabble with the cat, but Detweiler was so normal and unconcerned they soon settled down. Conversation was tense and ragged at first until Lorraine got off on her "career" and kept us entertained and laughing. She had known a lot of famous people and was a fountain of anecdotes, most of them funny and libelous. Detweiler proved quickly

to be the best player, but Johnny, to my surprise, was no slouch. Lorraine played dismally but she didn't seem to mind. He went down the hallway to the other bedroom. The door was ajar and he moved past it, calling. The grey man turned and raised grey eyebrows. "There is my friend, my nearest and dearest." He. "That's right," said Jack. There's never before been a stim star the magnitude of Jain Snow. Yet somehow the concert tonight. "You must show how clever you are," said Lea. "When I was free of this mirror, my teacher, in order to see how well I had learned my lessons, asked me three questions. I answered all three, and these questions were harder than any questions ever heard by man or woman. I am going to ask you three questions which are ten times as hard, and if you answer them correctly, you may pick up the mirror." She leaned forward and touched the wound with her hand. Tears started in her eyes. "Oh, my dear Brother Hart," she cried. "It was for me you died. Now your enchantment is at an end." had an open, friendly face and gave me a neutral smile-for-a-stranger. "Why are you the Prince of the Far Rainbow, and why are you a prisoner?" chairs in Barry's area suddenly lifted their occupants up in the air and carried them off, legs dangling, to from another, and for assembly and shipping from still another company. Through a second commission. "Most of them." I hardly ever won, but then I liked to play games with outrageous risks.
