Hemlock was 10th to practice any of the lesser arts of magic. He did not put out a finding spell, as any sorcerer might have done. Nor did he call to Diamond in any way. He was angry; perhaps he was hurt. He had thought well of the boy, and offered to write the Summoner about him, and then at the first test of character Diamond had broken. "Glass," the wizard muttered. At least this weakness proved he was not dangerous. Some talents were best not left to run wild, but there was no harm in this fellow, no malice. No ambition. "No spine," said Hemlock to the silence of the house. "Let him crawl home to his mother." her clutch in the henhouse. Thirty years before, the pirate lords of Wathort had sent a fleet to conquer Roke, not for its wealth, which was little, but to break the power of its magery, which was reputed to be great. One of the wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate. there, be nice," I said.
