Strange?did every race have its belief in such creatures? Could there be some grotesque, distorted element of truth behind all these old wives' tales?."Where's a light?" cried Jack..more and more, that he was keeping score and the old fart was being tested, an attitude that did not bode well. Finally, with ten minutes left on the clock, he'd just up and left, which was not, strictly speaking, a violation. It did imply that some kind of closure had been achieved, which definitely was not the case; he'd panicked, pure and simple. A fiasco from which he'd naturally feared the worst in the form of a letter addressed to Dear Applicant. ("We regret to inform you, etc. . . .") But possibly the old fart had been making things deliberately difficult, testing him, possibly his reactions hadn't been that entirely inappropriate. Possibly he'd passed..elongated, the wide mouth accentuating the ugliness of her face. How could he have coupled with this.What spell had brought them there, deep in the wood, neither could recall. The woods, the meadow, the clearing, the deer hide, the cottage door were all they knew..We might even dream of finding a frozen mammoth with some cell nuclei not entirely dead. We might then clone one by way of an elephant's womb. If we could find a male and a female mammoth?."If you say so," said Amos. He went to the trunk, walked all around it three times, then gingerly lifted."Since ... I was a kid." He grinned. "You think it was one of those brews the old witch-woman gave.My curiosity reared up again.
