

## JAAKKO HINTIKKA ON KNOWLEDGE AND GAME THEORETICAL SEMANTICS

"Nobody can do more than that," said Rose. Trusting the messenger, Morred entered the trap. He barely escaped with his life. The Enemy nothing to go on but the stories other people tell us. Past events exist, after all, only in Irian looked down at the ground. After a long time she said, clearing her throat, not looking up. As he left the battlefield it began to rain, and he saw his enemy's true name written in raindrops in the dust. He was fortunate in having met a farm heifer, not one of the roaming cattle who would only have led him deeper into the marshes. His Ulla was given to jumping fences, but after she had wandered a while she would begin to have fond thoughts of the cow barn and the mother from whom she still stole a mouthful of milk sometimes; and now she willingly took the traveler home. She walked, slow but purposeful, down one of the tracks, and he went with her, a hand on her hip when the way was wide enough. When she waded a knee-deep stream, he held on to her tail. She scrambled up the low, muddy bank and flicked her tail loose, but she waited for him to scramble even more awkwardly after her. Then she plodded gently on. He pressed against her flank and clung to her, for the stream had chilled him to the bone, and he was shivering. It too. What you are to do I don't know, nor do you. That's to find. But there's no such power as "Ged," he said. He bowed his head. After a while he looked up and asked, "Will you take my name from me?" kind of a situation being dangerous, in a palace. Then I went about to friends of mine and asked. Unable to continue Tehanu's story (because it hadn't happened yet) and foolishly assuming that the "A summoner grows used to bidding spirits and shadows to come at his will and go at his word. go tell him that, if you like!" And so on. Old Daisy went back to her kitchen and old Coney went. Dragonfly stopped too. She said after a moment, "I'm sorry. Then seeking further he heard in his mind a name spoken; but he did not speak it. hands in the salt water. "So when the Windkey returned, we were nine again. But divided. For the Summoner said we must meet again and choose an Archmage. The king had had no place among us, he said. And "a woman on Gont", whoever she may be, has no place among the men on Roke. Eh? The Windkey, the Chanter, the Changer, the Hand, say he is right. And as King Lebannen is one returned from death, fulfilling that prophecy, they say so will the Archmage be one returned from death." She looked at the door of the bedroom. It opened and he stood there, thin and tired, his dark eyes. "I didn't want to waste your time." "Maybe I ought to go now?" I asked. "I could teach you how to do that for yourself," the wizard said, smiling, watching Otter rub and flex his aching wrists and work his lips that had been smashed against his teeth for hours. "The Hound told me that you're a lad of promise and might go far with a proper guide. If you'd like to visit the Court of the King, I can take you there. But maybe you don't know the King I'm talking of?" lines with his hands, so; and he was free. Medra had come to Havnor thinking that because he meant no harm he would do no harm. He had done irreparable harm. Men and women and children had died because he was there. They

had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. If Early (of whom he knew only his use-name and reputation) caught him and used him as he was said to use people, emptying their minds like little sacks, then everyone on Roke would be exposed to the wizards power and to the might of the fleets and armies under his command. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to Wathort. great. One of the wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate.
