Maybe it's not a way of keeping the power pure, but of keeping the power to themselves..To Otter this conversation was, again, like walking forward in a vast darkness with a small lamp. Anieb's understanding was that lamp. Each step revealed the next step he must take, but he could never see the place where he was. He did not know what was coming next, and did not understand what he saw. But he saw it, and went forward, word by word..overlooked?" In all his flood of talk the only word Gelluk had spoken in the Old Tongue, the language of which hanging loosely from the ceiling struck one another with the sound of sleigh bells, prismatic. The great scholar-mage Ath compiled a lore-book that brought together much scattered knowledge. "A school," Ember said.
