"Wait a moment," Song broke in. "Why can't they ... I mean they have plenty of time, don't they? They have to leave in six months, as I understand it, because of the orbital elements, but in that time..." "These 'fruit' are full of compressed gas," he told them. "We have to open up another, carefully this. The grey man turned and raised grey eyebrows. "There is my friend, my nearest and dearest." He pointed to the trunk. From it came a low, muggy sound: Ulmphf..anything else for fifteen or twenty seconds, and I wondered what he was doing. The wrong.our fingers crossed..When the ship finally did show up, it was no longer a NASA ship. It was sponsored by the fledgling International Space Agency. Its crew came from all over Earth. Its drive was new, too, and a lot better than the old one. As usual, war had given research a kick in the pants. Its mission was to take up the Martian exploration where the first expedition had left off and, incidentally, to recover the remains of the twenty Americans for return to Earth..I organized my arguments while I waited for her protest that she could look after herself. To my surprise, after another short pause, she said in a quiet voice, "You're right, of course, Matthew. The first person I met was the thin grey man, and with him was his large black trunk in which, he said, was his nearest and dearest friend. He said if I would work for him and carry his trunk, he would pay me a great deal of money with which I could buy a ship and continue my search. He told me that he himself would very much like to see a woman worthy of a prince. 'Especially,' he said, 'such a colorful prince as you.' I carried his trunk for many months, and at last he paid me a great deal of money with which I bought a ship. But then the skinny grey man stole my map, stole my ship, and put me here in the brig,.sat staring at her hands clenched in her lap. I put an arm around her.
