Reach were ducks or geese for the killing! No good will come of that." him to her in the evenings. But she taught Otter more than the song of the Creation. She knew his. Unfortunately the king's wizards, enraged at the attack on the heart of the kingdom and heartened by their victory in the Pelnish Sea, had taken the fleet on into the far West Reach and attacked the islets and rocks where the dragons raised their young, killing many broods, "crushing monstrous eggs with iron mauls." Hearing of this, Orm's dragon anger woke again, and he "leapt for Havnor like an arrow of fire." (Dragons are generally referred to both in Hardic and Kargish as male, though in fact the gender of all dragons is a matter of conjecture, and in the case of the oldest and greatest ones, a mystery.) "If you wish." "Women can live chaste as well as men can," Dragonfly said bluntly. She knew she was blunt and coarse where he was delicate and subtle, but she did not know any other way to be. here. The power of the Archmage of Roke was in many respects that of a king. Ambition, arrogance, and prejudice certainly influenced Halkel, the first Archmage, in creating his own authoritative title. Yet, restrained by the consistent teaching and practice of the school and the watchfulness of his colleagues, no subsequent archmage seriously misused his power to weaken others or aggrandize himself. him, stroke him, and he purred louder; behind him flashed another pair of eyes, another lion, no. him. In the faint reddish glow of the cabin lantern her lashes cast very delicate, long shadows on her cheeks. She looked up, straight at him. "My name is Irian," she said. Early raised his hand to lay the binding spell on him. His hand was stayed, held immobile half lifted at his side. "They show me what I should do," Irioth said, "and who I am. They know my name. But they never say it." there was a light that was not werelight. He went forward. He had been crawling for a long time. Again he paused. All at once he looked straight at Otter, who froze in terror thinking the wizard had caught him watching his mind. Gelluk stared at him a while with that curious half-keen, half-unseeing gaze, smiling. "Little Medra!" he said, as if just discovering he was there. He patted Otter's shoulder. "I know you have the gift of finding what's hidden. Quite a great gift, were it suitably trained. Have no fear, my son. I know why you led my servants only to the little lode, playing and delaying. But now that I've come, you serve me, and have nothing to be afraid of. And there's no use trying to conceal anything from me, is there?
