do not know where the light that bathed it came from; the place was deserted, around it were. Scattered references and tales from Gont and the Reaches, passages of sacred history in the Kargad Lands and of arcane mystery in the Lore of Paln, long ignored by the scholars of Roke, relate that in the earliest days dragons and human beings were all one kind. Eventually these dragon-people separated into two kinds of being, incompatible in their habits and desires. Perhaps a long geographical separation caused a gradual natural divergence, a differentiation of species. The Pelnish Lore and the Kargish legends maintain that the separation was deliberate, made by an agreement known as *verw nadan*, *Vedurnan*, the Division. "A real is. . . a real. . ." she repeated helplessly. "They are. . . stories. It's for watching." still depths, a colorless, vast emptiness like the clear sky before sunrise. "Never fear," Diamond said, turned on his heel, and strode out. A string of dried sage caught on his head and trailed after him. been enough of that kind of intimidation lately. But it went against his grain. He didn't like to. Oh, it's time, and past time. We must deliver the King. We must find the great lode. It is here; there is no doubt of that: "The womb of the Mother lies under Samory." and bellies touched, though their hands stayed down by their sides. They went on kissing. storm of ideas and feelings, a passion of rage, vengeance, pity, pride. "If I do, it will be thanks to you," she said. In that moment he loved her for her true heart, and faced the wizard again he would be destroyed. And Roke with him. Roke and its children, and Elehal. "Well, and afterward?" "South and west of Kamery. The Lord of Wathort's owned it for forty or fifty years." what they all wanted, and keeping his eyes from those clear eyes. He was a good teacher, the best. All the people of the Archipelago and the Reaches share the Hardic language and culture with local variations. The Raft People of the far South West Reach retain the great annual celebrations, but little else of Archipelagan culture, having no commerce, no agriculture, and no knowledge of other peoples. Enemy's spells, fought one another in bloody and ruinous battles. "He tricked and killed a great mage, my master. He's dangerous. I want vengeance. Who did he talk to here? I want them. When he had gone she turned to Otter. Diamond sat upright and still. He had been getting some of his father's height and girth lately. Gift hurried to the village. She went straight up to the doorstep, bent over the heap, and laid her hand on it. Everybody gasped and muttered, "Avert! Avert!" except Tawny's youngest daughter, who mistook the signs and piped up, "Speed the work!" She was looking down at her hands, clasped now on her knees. In the faint reddish glow of the cabin lantern her lashes cast very delicate, long shadows on her cheeks. She looked up, straight at him. "My name is Irian," she said. Where he stood it was not wholly dark. The air moved against his face. Far ahead, dim, small, there was a light that was not werelight. He went forward. He had been crawling for a long time now, dragging the right leg, which would not bear his weight. He went forward. He smelled the wind of evening and saw the sky of evening through the branches and leaves of trees. An arched oak root formed the mouth of the cave, no bigger than a man or a badger needed to crawl through. He crawled through. He lay there under the root of the tree, seeing the light fade and a star or two come out among the leaves. blue that clung to her like a liquid congealed; her arms and breasts were hidden in a navy-blue. as one of themselves, the good man who had found poor Otter half dead in the forest and brought. about Silence. I should send for him ... send to him ... No. What did Ard say? Find the center. They were both on the hill now. She towered above him impossibly, fire breaking forth between. "Ard. My teacher." Heleth looked up, his face unreadable, its expression possibly sly. "You didn't know that? No, I suppose I never mentioned it. But it doesn't make much difference, after all. Since we none of us have any sex, us wizards, do we? What matters is whose house we live in. It seems we may have left out a good deal worth knowing. This kind of thing- There! There again-" at him. "My name is Irian," she said. Golden did not praise the boy, not wanting to making him self-conscious or vain about what might be a passing, childish gift, like his sweet treble voice. There was too much fuss already made over that. hand pressed to his hip joint, which made it a little easier to walk. The walls narrowed gradually. saw him flying thus they shouted, "The dragonlord! the dragonlord!" And it's true that in the time of Medra and Elehal the people of Roke, men and women, had no fear. anyone who. So they sailed south in Hopeful, landing first at malodorous Geath, and then in the guise of peddlers working their way from one islet to the next among the mazy channels. Crow had stocked the boat with better wares than most householders of the Isles were used to seeing, and Tern offered them at fair prices, mostly in barter, since there was little money among the islanders. Their popularity ran ahead of them. It was known that they would trade for books, if the books were old and uncanny. But in the Isles all books were old and all uncanny, what there was of them..thunder-squall came pelting on that wind, and Ivory went down to the cabin, but Dragonfly stayed. If Diamond had been born to that kind of power, if that was his gift, then all Golden's dreams and, you drunken, crawling traitor! You foul, shameless lecher!".
