It has been named after a goddess of Chinese mythology whom we have adopted as a fitting patroness: Kuan-yin--the goddess who brings children. Let us hope that she watches over her children well in the years to come." "But I'd have to become part of ... what Selene is." She pulled away from me, shaking her head. When the gag came off, the story came out, and the part of the story the jailor had slept through the grey man could guess for himself. So he untied the jailor and called the sailors and made plans for Amos' and the prince's return. The last thing the grey man did was take the beautiful costume back to his cabin where the black trunk was waiting. Number of the Beast, and all the other accoutrements of the Apocalypse. By the end of July he had refined and miniaturized the device and had extended its sensitivity range into the infrared. He spent most of August, when he should have been on vacation, trying various methods of detecting sound through the device. By focusing on the interior of a speaker's larynx and using infrared, he was able to convert the visible vibrations of the vocal cords into sound of fair quality, but that did not satisfy him. He worked for a while on vibrations picked up from panes of glass in windows and on framed pictures, and he experimented briefly with the diaphragms in speaker systems, intercoms and telephones. He kept on into October without stopping and finally achieved a system that would give tinny but recognizable sound from any vibrating surface? a wall, a floor, even the speaker's own cheek or forehead. off.
