Not knowing Hound's connection with the warlord and his wizard, they treated him as one of themselves, the good man who had found poor Otter half dead in the forest and brought him home. He looked at Otter, who was not much to look at. "Rest easy," he said, and went off..Some people of great innate and trained power are able to find out the true name of another, or even to have it come to them unsought. Since such knowledge can be betrayed or misused, it is immensely dangerous. Ordinary people-and dragons-keep their true name secret; wizards hide and defend theirs with spells. Morred could not even begin to fight his Enemy until he saw his Enemy's name written in the dust by the falling rain. Ged could force the dragon Yevaud to obey him, having by both wizardry and scholarship discovered Yevaud's true name under centuries of false ones..Otter was reluctant to answer. Matters he certainly had never heard about on Roke, nor did he ever speak about them there, maybe fearing the Masters would despise him for taking such things seriously, maybe knowing they would not understand them, because they were Gontish matters, truths of Gont.
