And why do you seek the deer?" Her voice was gentle but firm..asada. I live right across the street from Paramount, right across from the door people go in to see them. I nodded again, at the same time wondering how Amanda Gail could ever, really, consider herself alone. The acrimonious divorce of former Olympic runner Margot Randall and Senator Charles Christopher Gail had traumatically divided not only Amanda's childhood but her very psyche. Five years ago, when Margot Randall died in a hovercraft accident and Amanda moved to Washington full-time, it emerged that for most of her childhood, Amanda Selene Gail had been two personalities, Amanda Gail and another calling herself Selene Randall. The revelation, and their decision to remain dissociated, had made them the darlings of the gossip columns..on their terrace. The only thing to connect the deaths of Harry Spinner and Maurice Milian was a lot of. to bat, with a shameful 43. But when two weeks had gone by and there was still no word from the Board. First, there is the reactive pain. Only those who have reviewed, year in and year out, know how truly abominable most fiction is. And we can't remove ourselves from the pain. Ordinary readers can skip, or read every third word, or quit in the middle. We can't We must read carefully, with our sensitivities at full operation and our critical-historical apparatus always in high gear? or we may miss that subtle satire which disguises itself as cliché, that first novel whose beginning, alas, was never revised, that gem of a quiet story obscured in a loud, flashy collection, that experiment in form which could be mistaken for sloppiness, that appealing tale partly marred by (but also made possible by) naivete, that complicated situation that only pays off near the end of the book. Such works exist but in order not to miss them, one must continually extend one's sensitivity, knowledge, and critical care to works that only abuse such faculties. The mental sensation is that of eating garbage, I assure you, and if critics* accumulated suffering did not find an outlet in the vigor of our language, I don't know what we would do. And it's the critics who care the most who suffer the most; irritation is a sign of betrayed love. As Shaw puts it: "I am very anxious to see you at the happiest moment of your life," said Amos.
