For that, we're better off than most of the colonists of the past, at least for the short term. We have a large supply of everything a colony needs: food, water, tools, raw materials, energy, brains, and women. Without these things, no colony has much of a chance. All we lack is a regular resupply from the home country, but a really good group of colonists can get along without that. What do you say? Are you all with me?" a walk for a couple hours while she screwed some rube she'd picked up in the hotel bar. I tapped on the. Without breaking stride, she kicked high over her head and grinned at me. "Elevations." Then she stopped and turned to face me. "I'll have to ask you for a favor. Mandy doesn't know about my practice sessions. Not being a dancer, she wouldn't understand how important this is to me, either. She'd just be upset knowing I was here out of my time. So when you take her to lunch today, please don't mention you saw me." longer dominated the colony. Lang worked them harder than ever, making up for the lost time.. "I am a good singer.
