"It can do it by itself," Diamond said, and held out the fife away from his lips. His fingers danced on the stops, and the fife played a short jig. It hit several false notes and squealed on the last high note. "I haven't got it right yet," Diamond said, vexed and embarrassed..want to know it..For there had been times when he felt that, as he had summoned her living, so dead she might summon him. And he had seen her, years ago, in the vision of the dying healer in Telio, in the twilight, beside the wall of stones..Hand, master of all illusions.Dragonfly waited. "It's the power, like I said.
