"That's fine, but there is an even more important order of business. We have to go out to the dome." "Nice. Very nice.".. ward, got up in time to see the fiberglass ropes on the side nearest him snap free from the steel spikes anchoring the dome to the rock. The dome now looked like some fantastic Christmas ornament, filled with snowflakes and the Sashing red and blue lights of the emergency alarms. The top of the dome heaved over away from him, and the floor raised itself high in the air, held down by the unbroken anchors on the side farthest from him. There was a gush of snow and dust; then the floor settled slowly back to the ground. There was no motion now but the leisurely folding of the depressurized dome roof as it settled over the structures inside.. "My God!" I could see her feet and, by rolling onto my back, look up at her rising above me toward the beams of the room, but I could not move. My head seemed nailed to the floor. Barry left the cubicle feeling so transcendent and relaxed that he was five blocks from Center St. before he remembered that he'd neglected to have his license revalidated at Window 28. As he beaded back to the Federal Communications Building, his senses seemed to register all the ordinary details of the city's streets with an unnatural, hyped clarity: the smell of sauerkraut steaming up from a hot dog cart, the glint of the noon sun on the mica mixed into the paving blocks of the sidewalk, the various shapes and colors of the pigeons, the very pigeons, perhaps, that had inspired his so-called idea earlier that day. Friday afternoon Westland came slamming into my office to ask about a thousand questions about our schedules and the cost of running Zorphwar. I tried to get him to try using the program, but he was too upset to listen to reason. He gave me one hour to produce a full report justifying the project and went storming back up to the executive wing. I'm afraid that your ass and mine would have been in the sling but for a stroke of incredible luck.. For the next many days Barry didn't speak to a soul. He felt no need to communicate anything to anyone. He had his three endorsements? one from a poet who'd published twenty-two books? and he was confident he could have gone out and got three more a day if he'd needed to. He was off the hook..
