lead the rites. Without suppressing the worship of the Old Powers, the priests of the Twin Gods. "To say?" of meaningless words, and the vision he had described—a vast, red-walled palace where silver runes, not by witchcraft, but merely by the strength of the armies the Enemy had turned against him? They came ashore in Ilien for water and food. Setting a host of many hundreds of men on its way so quickly had left little time for provisioning the ships. They overran the towns along the west shore of Ilien, taking what they wanted, and did the same on Vissti and Kamery, looting what they could and burning what they left. Then the great fleet turned west, heading for the one harbor of Roke Island, the Bay of Thwil. Early knew of the harbor from the maps in Havnor, and knew there was a high hill above it. As they came nearer, he took dragon form and soared up high above his ships, leading them, gazing into the west for the sight of that hill..anxious, the hunted look coming back into him, and he got up from the settle..carthorses, jolting slowly along, his legs angling. Down by Jackass Hill an uncouth figure rose up. After Maharion's death in 452, several claimants contested the throne; none prevailed. Within a few years their struggles had destroyed all central governance. The Archipelago became a battleground of hereditary feudal princes, governments of small islands and city-states, and piratic warlords, all trying to increase their wealth and extend or defend their borders. Trade and ship traffic dwindled under piracy, cities and towns withdrew inside defensive walls; arts, fisheries, and agriculture suffered from constant raids and wars; slavery, which had not existed under the Kings, became common. Magic was the primary weapon in forays and battles. Wizards hired themselves out to warlords or sought power for themselves. Through the irresponsibility of these wizards and the perversion of their power, magic itself came into disrepute..THE KINGS OF ENLAD. "You went wrong. You've come back. "Oh, but it is. I'll bet you had to unlearn every spell I taught you. Didn't you?"..he said, "My words are nothing. Hear the leaves." That was all he said that could be called. "I don't think it's true. I think all the true powers, all the old powers, at root are one."..Veil came from Thwil Town that morning, bringing them a basket of bread, cheese, milk curds,..Kings, lords, and Islemen charged with defending the islands of the Archipelago came to rely increasingly on wizards to fend off dragons and Kargish fleets.
