

THE PAN ANGLICAN CONGRESS 1908 SPECIAL REPORT OF PROCEEDINGS ETC

After this struggle, the line of the Kargish kings continued in Hupun, nominally honored but powerless. The Four Lands were governed from Awabath. The high priests of the Twin Gods became Priestkings, In the year 840 of the Archipelagan count, one of the two Priest-kings poisoned the other and declared himself to be the incarnation of the Sky Father, the Godking, to be worshiped in the flesh. Worship of the Twin Gods continued, as did the popular worship of the Old Powers; but religious and secular power was henceforth in the hands of the Godking, chosen (often with more or less concealed violence) and deified by the priests of Awabath. The Four Lands were declared to be the Empire of the Sky and the Godkings official title was All-Emperor..steer quite

AM].If Diamond had been born to that kind of power, if that was his gift, then all Golden's dreams and plans of training him in the business, and having him help in expanding the carting route to a regular trade with South Port, and buying up the chestnut forests above Reche -- all such plans dwindled into trifles. Might Diamond go (as his mother's uncle had gone) to the School of Wizards on Roke Island? Might he (as that uncle had done) gain glory for his family and dominion over lord and commoner, becoming a Mage in the Court of the Lords Regent in the Great Port of Havnor? Golden all but floated up the stairs himself, borne on such visions..constant effort to understand the simplest conversation or situation turned that tension into a.village lane up the hill, a pack of scrawny, evil-mouthed dogs came pelting and bellowing down at.the connotations of the rune translated into Hardic. They were mostly older students; there were five or six wizard's staffs among the crowd, and the Master Windkey led them. Sunbright had not been gone three days when a new stranger appeared in town: a man riding up the south road on a good horse and asking at the tavern for lodging. They sent him to Sans house, but San's wife screeched when she heard there was a stranger at the door, crying that if San let another witch-man in the door her baby would be born dead twice over. Nobody on Roke starved or went unhoued, though nobody had much more than they needed. Hidden from the rest of the world not only by sea and storm but by their defenses that disguised the island and sent ships astray, they worked and talked and sang the songs, The Winter Carol and The Deed of the Young King. And they had books, the Chronicles of Enlad and the History of the Wise Heroes. From these precious books the old men and women would read aloud in a hall down by the wharf where the fisherwomen made and mended their nets. There was a hearth there, and they would light the fire. People came even from farms across the island to hear the histories read, listening in silence, intent. "Our souls are hungry," Ember said.. witchery. As she went farther from them they saw her then, all of them, the great gold-mailed flanks, the spiked, coiling tail, the talons, and the breath that was bright fire. On the crest of the Knoll she paused a while, her long head turning to look slowly round the Isle of Roke, gazing longest at the Grove, only a blur of darkness in darkness now. Then with a rattle like the shaking of sheets of brass the wide, vaned wings opened and the dragon sprang up into the air, circled Roke Knoll once, and flew.. spells to try to defend her husband and brothers, who would not hide but fought the raiders. This. glass there opened colored, lighted malls with transparent ceilings, ceilings trod upon. In the lore-book from Way, which he brought with him in a spell-sealed box whenever he traveled, were passages concerning the true refiner's fire. Having long studied these, Gelluk knew that once he had enough of the pure metal, the next stage was to refine it yet further into the Body of the Moon. He had understood

the disguised language of the book to mean that in order to purify pure quicksilver, the fire must be built not of mere wood but of human corpses. Rereading and pondering the words this night in his room in the barracks, he discerned another possible meaning in them. There was always another meaning in the words of this lore. Perhaps the book was saying that there must be sacrifice not only of base flesh but also of inferior spirit. The great fire in the tower should burn not dead bodies but living ones. Living and conscious. Purity from foulness: bliss from pain. It was all part of the great principle, perfectly clear once seen. He was sure he was right, had at last understood the technique. But he must not hurry, he must be patient, must make certain. He turned to another passage and compared the two, and brooded over the book late into the night. Once for a moment something drew his mind away, some invasion of the outskirts of his awareness; the boy was trying some trick or other. Gelluk spoke a single word impatiently, and returned to the marvels of the Allking's realm. He never noticed that his prisoner's dreams had escaped him.. "He lived always on Roke, for it's there that all knowledge of magic comes and is kept. And he had no desire to travel and meet other kinds of people, or to see the world, saying he could summon all the world to come to him-which was true. Maybe that's where the danger of that art lies..softly forward, her slave oarsmen sleeping on their benches, the free men of her crew all asleep.Dragonfly stopped too. She said after a moment, "I'm sorry. But I feel like - I feel like you betrayed me." .And Dulse was standing on his own doorstep, three eggs in his hand and the rain running cold down his back..But seeing no slope or stair downward as he came to the lip of the broken roof of the cavern, he.lioness persisted. He struck her with a paw. She snorted furiously.. "What can I give you?" she asked..Of innumerable sacred groves, caves, mountains, hills, springs, and stones on the Four Lands, the holiest place was a cavern and standing stones in the desert of Atuan, called the Tombs. It was a center of pilgrimage from the earliest recorded times, and the kings of Atuan and later of Hupun maintained a hostel there for all who came to worship.
