

THE TAPPING LEPRECHAUN ITS MAGIC!

It's been a joy to me to go back to Earthsea and find it still there, entirely familiar, and yet founded a school on Roke as a center where they might gather and share knowledge, clarify the. As she blew out the lamp and got into bed, the witch's daughter heard an owl calling, the little, liquid hu-hu-hu-hu that made people call them laughing owls. She heard it with a mournful heart. That had been their signal, summer nights, when they sneaked out to meet in the willow grove down on the banks of the Amia, when everybody else was sleeping. She would not think of him at night. Back in the winter she had sent to him night after night. She had learned her mother's spell of sending, and knew that it was a true spell. She had sent him her touch, her voice saying his name, again and again. She had met a wall of air and silence. She touched nothing. He would not hear. Curious manners, I thought. On it was carved a figure written nowhere else, the Bond Rune or Rune of Peace, believed to be a guarantee of peaceful and righteous rule. For he saw the whole plan now was folly. There was no way he could disguise her that would fool the Doorkeeper for a moment. All his notions of humiliating the Masters as they had humiliated him were moonshine. Obsessed with tricking the girl, he had fallen into the trap he laid for her. Bitterly he recognized that he

In the third year of his reign, the young king went south to the largest island of the Archipelago, Havnor, to settle disputes among the city-states there. Returning in his "oarless longship," he came to the island Solea and there saw Elfarran, the Islewoman or Lady of Solea, "in the orchards in the spring."
