Although the room was already quiet, the silence seemed to ~intensify with these words. Here and there in the audience, faces turned to glance curiously at one another. Clearly, this was not to be just another retirement speech. Congreve went on. "We have already come once to the brink of a third world war and hung precariously over the edge. Today, in 2015, twenty-three years have passed since U.S. and Soviet forces clashed in Baluchistan with tactical nuclear weapons, and although the rapid spread of a fusion based economy at last promises to solve the energy problems that brought about that confrontation, the jealousies, mistrusts, and suspicions which brought us to the point of War then and which have persistently plagued our race throughout its history are as much in evidence as ever..And echoing back they heard: !. . must be in the cave of . . . in the cave of. . . cave of. . .139.An undercurrent of murmuring rippled quickly around the hall. Congreve nodded, indicating his anticipation of the 'objections he knew would come. He raised a hand for attention and gradually the noise abated..Fortunately for his morale, this state of funk did not continue long. Barry didn't let it.
